

HARVILLE & DEBOW ORTHODONTICS

2025 Meadowview Parkway, Suite #200
Kingsport, TN 37660
423-247-5137

Welcome to our practice and thank you for selecting us for your orthodontic care.

Drs. Harville & DeBow treat many patients in our community with excellent results. Rest assured that every effort will be made to provide you with the highest quality treatment.

It is our desire to provide your orthodontic needs both thoroughly and efficiently. During your initial visit digital radiographs of your teeth and jaws will be taken. One of our doctors will also perform a brief examination on you or your child's teeth and facial structures. The doctor will determine if treatment is necessary and if this is the appropriate time to begin treatment. If treatment is necessary, the doctor will recommend that you have Diagnostic Records taken.

The Diagnostic Records consist of photographs and a digital 3D scan of your teeth. These records will assist in a personalized treatment plan and aid in your insurance's decision to approve the treatment. The records appointment takes approximately 30 minutes and is normally scheduled after the initial exam or as soon as an appointment is available.

Out of respect and consideration of others, please be on time for your appointments and PLEASE REFRAIN FROM WEARING PERFUME DUE TO STAFF AND PATIENTS WITH SEVERE ALLERGIES/AUTOIMMUNE DISORDERS. If you cannot keep your appointment, please allow our office 24-hour notice for appointment rescheduling. Failure to keep your initial exam appointment or rescheduling this appointment more than twice, will result in dismissal from our practice.

We accept most major insurances. We are committed to helping you maximize your insurance benefits, so we ask that you bring your insurance card and photo ID to your initial appointment so that benefits can be verified. For some insurances to cover braces the case must be "Medically Necessary." No insurance? No problem! We are pleased to offer in office financing with several affordable monthly payment plans.

Enclosed you will find our new patient forms. Please arrive 15 minutes early for your appointment with all forms completed as this will help your appointment go more efficiently.

The success of your orthodontic treatment is a joint effort. We need your cooperation every step of the way. We will educate you on good oral hygiene habits, proper recall schedules with your general dentist, any food restrictions, as well as, any other responsibilities you may have to help us obtain that beautiful smile you want.

Again, we welcome you to our practice and look forward to meeting you for your orthodontic exam!

Los documentos también están disponibles en español bajo petición.
